TELEPHONE ENTRIES WILL NOT BE ACCEPTED. Entries received without full information and full payment will be returned. Entries sent to the bowling center will NOT be accepted.
2. Rules of the United States Bowling Congress and the Vermont State USBC prevail.

#### **ENTRY ELIGIBILITY**

3. Each bowler must be a member of the United States Bowling Congress and the Vermont State USBC for at least 30 days prior to participation in the championships, and meet the following requirement:
  - A. NON RESIDENTS - at the time of entry, must have bowled 21 or more games during the current season in a certified league within an association affiliated with the United States Bowling Congress and the Vermont State USBC.
4. Tournament competition takes place in two divisions - handicap and scratch. Handicap is set at 100% of 220, calculated on a per game basis, without limit.
5. Tournament events consist of 4 person (Team), 2 person (Doubles), individual (Singles), and combined score (All Events).
6. Multiple participation is permitted in the Team and Doubles event provided:
  - A. Team reentry - No more than two members of a team can reenter together.
  - B. Doubles reentry - Doubles partners can not reenter.
7. The bowler's first appearance in each event determines the score credited toward her All Events total.
8. The prize distribution ratio for Teams, Doubles, and Singles will be 1 in 8; for All Events the ratio is 1 in 12.
  - A. Prize fees are returned 100% with 50% of the prize fund paid to the handicap division and 50% paid to the scratch division.
  - B. Prizes are awarded on the basis of highest monetary value. When a Team, Doubles, Singles or All Events score qualifies for an event prize in both divisions and the prize is of equal value, the scratch division prize is awarded.
  - C. The winner(s) of each event in both divisions receive state recognition awards (Championship Shirts). The cost of the awards will be deducted from the expense fees.
9. **BOWLERS ARE RESPONSIBLE FOR THEIR OWN AVERAGE.** Tournament entering average is determined as follows:
  - A. Use the highest USBC certified average (winter or summer), minimum 21 games, from the preceding season.
  - B. Bowlers without a preceding season average, minimum 21 games, shall use their composite average from all USBC leagues bowled the preceding season, including leagues with less than 21 games bowled.
  - C. Bowlers without a preceding season average shall use the highest average as of January 1st of: (1) their highest current season certified average, minimum 21 games, or (2) their composite average of all USBC leagues, including leagues with less than 21 games bowled.
  - D. Otherwise eligible bowlers who are unable to meet the entering average criteria are allowed to bowl without handicap.
10. **When a preceding season's average is used, and as of January 1st, a bowler's highest current season certified average, minimum 21 games, is 10 or more pins higher than the preceding season average, the current average shall be used.**
11. Failure to submit a correct average, or to make corrections prior to the completion of the first game of competition, will result in score disqualification if a lower than actual average is used. If a higher average is used, handicap will be based on the higher average. The correct entering average for a Team or Doubles entry will be determined on a fully combined basis.
12. Tournament management reserves the right to adjust the average of (rerate) any bowler provided the adjustment is made prior to the bowler's first game of tournament play. Rule 319d & 319e are waived.
13. Team, Doubles, and Singles bowlers should report to the tournament office 45 minutes prior to the assigned squad time. Bowlers may be asked to present USBC membership cards.
14. Team captains and Doubles entrants may substitute players on their roster provided the eligibility and multiple participation rules are adhered to.
15. Mechanical failure or unanticipated delay may result in lane reassignment or the rescheduling of the time to complete the event. In either case, the scoring of the event will pick up at the point it was previously halted.
16. Lanes may be assigned.

No deposits will be collected in advance and reservations are subject to availability.

The Cancellation policy will be the same as any individual reservation which allows individuals to cancel a room without penalty 48 hours prior to arrival.

**"Vermont Women's Bowling Tournament"**

**The discounted rate of only \$129.00 per room/per night for our traditional rooms with one king bed or two queen beds, plus tax, will be available to your guests until the event dates at the Holiday Inn Express Springfield.**

These discounts are applicable for the weekend of March 9, 2019 – March 11, 2019 and March 16, 2019 – March 18, 2019. Rates will also be available 3 days prior and 2 days post for those that are wanting to make a longer trip out of the event. Check-In time is 3:00pm. Early check-in due to an early afternoon event is not guaranteed. Anyone arriving prior to 3:00pm will be accommodated as soon as possible but should be advised that there may be a wait. Check-out time is 12:00pm. Please give this check-in information to your guests prior to them booking. Arrangements can be made for baggage storage with our front desk staff if needed.

There are other area hotels but as we are near several ski resorts during peak times, pricing was very high when contact was made.

*To participate in the State tournament you DO NOT HAVE TO BOWL all of the events, teams, doubles, singles. If you want to bowl, events do NOT even have to all be bowled on the same day or weekend. This is why we have multiple squads and weekends, to help accommodate work and life schedules. If you want to just bowl singles, you can do that. If you want to just bowl doubles you can, or even just teams. Come out and have a girl's weekend with your bowling girlfriends.*

*The Ladies Side Rockers tournament will be back again this year; we've had great response with the changeover to average base. We hope you will participate again this year to help us to continue growing this side tournament.*

*As you can see there is a new tournament manager for your tournament this year. I was originally supposed to be getting done as your State Association Manager but have decided to stay on, but break up my spring tournament schedule due to my daily work schedule. Alanna is a current VT State Youth Board Director and looking forward to working with you ladies. I will be around helping with the Ladies Side Rocker's tournament but Alanna will your point of contact for the Women's Championship tournament.*

*Stay warm and hope to see you in Springfield in March*

*~ Tracy Cook, VT State USBC Association Manager*
